

# Device Rules

→ These are OPS computers so your teacher gets to decide when & how they are used.

→ A teacher is **required** to take your device if you are abusing the privilege of using it appropriately.

→ You are only allowed to listen to music or play games **AFTER** you get permission from the teacher of the class *YOU ARE CURRENTLY IN*.

→ You are only allowed to use headphones **AFTER** you get permission from the teacher of the class *YOU ARE CURRENTLY IN*.

→ If the filter blocks the site, you are breaking the rules by trying to bypass it, for example, YouTube.

→ Anything you do on your computer is recorded by OPS this includes your emails, your passwords, your pictures and your social media. You will be held accountable for any of your actions on this device.

→ A teacher is required to take your device if you are walking through the halls with a device open
